Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 30 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry throughout, feeling warm with a sea breeze.

Today:
Any morning cloud will quickly clear, with a warm and sunny day to follow. Coastal areas feeling cooler due to a sea breeze. Staying dry throughout, with light winds. Maximum temperature 23 deg C (73 deg F).

Tonight:
Clear skies continue across the region through the evening and overnight, bringing a risk of some patchy mist or fog to prone areas. Staying dry throughout. Minimum temperature 6 deg C (43 deg F).

Monday:
Any early cloud and hill fog will soon clear, leaving another fine and dry day with plenty of sunshine bar the odd fair-weather cloud. Feeling warm,. Maximum temperature 23 deg C (73 deg F).

Outlook for Tuesday to Thursday:
Very warm and sunny Tuesday, with light winds. Becoming unsettled Wednesday: cooler and cloudier with showers, occasionally heavy and thundery. Breezier with sunshine and showers Thursday, giving a fresher feel.
